Greetings from Missouri S&T!

Our campus is home to an international student enrollment of more than 950 students from 60 different nations. More than 220 students from the Middle East are currently enrolled at Missouri S&T.

Students have the opportunity to participate in numerous activities on campus. There are more than 200 student organizations, including 10 international student organizations and clubs. Events, such as an annual Saudi Night Celebration hosted by the Saudi Student Association and Celebration of Nations showcase the international diversity of the campus.

Things to know about Missouri S&T

MISSION: Missouri University of Science and Technology integrates education and research to create and convey knowledge to solve problems for our State and the technological world.

Founded in 1870, Missouri S&T has a 140 year tradition of excellence in technological innovation and student success, producing world leaders in data security, transportation, infrastructure, energy, manufacturing and e-commerce research. Formerly the University of Missouri-Rolla, the name was changed in 2008 to better reflect the university's standing as one of the top technological research institutions in the U.S.

Current enrollment is more than 7,600 students with over 90% majoring in engineering, science, computer science or business. We have two primary semesters and one summer semester: Fall (August-December), Spring (January-May) and Summer (June-July).

Missouri S&T, ranked as one of America's 30 safest college campuses by Reader's Digest in 2008, is located in Rolla, Missouri in the center of the United States. Rolla is a safe, clean town of approximately 20,000 people. It is located approximately 160Km (100 miles) from the large city of St. Louis, and 650Km (400 miles) south of Chicago.

Rolla, Missouri - the Middle of Everywhere

Rolla Community

- **No. 1** small town in Missouri, and one of the best small towns in the U.S., according to *The 100 Best Small Towns in America*
- Missouri’s “best outdoor town,” according to *101 Best Outdoor Towns.*
- Rolla is home to a new 929-square-meter Islamic Center.
As one of the top technological research universities in the U.S.A., Missouri S&T has a worldwide reputation for Academic Excellence.

**National Rankings**

- Business and Information Technology degree programs are accredited by AACSB.
- 20 PhD and over 30 Master’s degree programs offered in the fields of science, technology, engineering, mathematics, business, and humanities.
- 25 world-class research centers and institutes.
- 13 award-winning student design teams.

**Application Process** (undergraduate degrees)

1. **Submit an undergraduate application for admission** and the application fee. Applications may be submitted online at apply.mst.edu.

2. Submit a standardized test score (ACT or SAT exam). International students must meet the same requirements for admission as U.S. citizens. Rare exemptions can be made if taking the ACT or SAT is a hardship.

3. Request TOEFL or IELTS scores be sent directly to S&T. Minimum TOEFL scores are: Computer-based: 213 / Internet-based: 79 / Paper-based: 550. Minimum IELTS score is 6.0. Applicants with scores below this level may be admitted conditionally with the completion of our Applied Language Institute as a prerequisite.

4. **First-time freshmen** must submit official secondary school transcripts to S&T. **Transfer students** should submit official college/university transcripts to S&T. **NOTE:** Students may be required to submit documents to an external credential evaluating agency at the student's expense.

5. Once all materials are received, an admission decision will be made. Admitted students will receive an email verifying their mailing address, an official welcome, letter of acceptance, and registration materials are sent via mail.

6. A financial statement is not required for admission, but will be required before Missouri S&T can issue immigration documents (I-20/DS-2019). We recommend that you submit this document to Missouri S&T as soon as possible.
