

## **New International Student Orientation**

New International Student Orientation is a very important part of a student's adjustment to a new academic and cultural life in the United States. We have designed a student orientation program to acquaint you with the school's programs, services, and facilities, to ease your transition and welcome you to Missouri University of Science and Technology.

Every New International Student Orientation begins at 8:00 in the morning in the St. Pat's Ballroom of the Havener Center located at Bishop Ave. and 14th Street.  
The dates for our upcoming orientations are below:

- Fall 2010- Tuesday, August 10, 2010
- Winter 2011- Monday, January 3, 2011
- Fall 2011- Tuesday, August 9, 2011
- Winter 2012, Tuesday, January 3, 2012
