TRAVEL REQUEST FORM

IMPORTANT INFORMATION:

- All international F students and J exchange visitors and their dependents **who travel outside the U.S.** are **REQUIRED** to carry their current original I-20s and DS-2019s that contain travel authorization signature of a Designated School Official or Responsible Officer from that office.
- It is **highly recommended** that students, scholars, and dependents also carry the stamped original I-20s/DS-2019s that was used for their most recent entries into the United States.

TRAVEL AUTHORIZATION PROCESS:

- The Office of International Affairs requires a minimum of **five** business days to process your travel authorization request. If you do not receive your travel authorization by your departure date, you will be required to pay for the shipment of your I-20/DS-2019 for your reentry to U.S.
- To provide a valid travel authorization from a Designated School Official or Responsible Officer, our office must determine to the best of our knowledge that the traveler is in valid F-1/J-1 status by checking the following information:
  - Ensure the traveler has maintained full-time enrollment for the current semester or meeting J-1 program requirements.
  - Ensure the traveler has been registered in SEVIS and has an “active” SEVIS record.
  - Verify student’s current major, degree level, program end date, financial documents, etc.
- If you are traveling internationally on behalf of Missouri S&T, Provost approval is required in accordance with S&T Student International Travel Policy. For more information, visit 104 Norwood Hall.
