Basic Immigration Information: Maintaining your F-1 or J-1 Visa Status

The Student and Exchange Visitor Information System (SEVIS) is an internet-based database management system that allows schools and United States Immigration and Customs Enforcement (ICE) to exchange data on the visa status of international students and exchange visitors. Current student/exchange visitor information is transmitted electronically throughout an F-1 student’s or J-1 exchange visitor’s academic career in the United States. U.S. Consulates also have access to SEVIS.

Some Basic Requirements to Maintain F-1 and J-1 Status

- Maintain a valid passport six months into the future.
- Attend the school you are authorized to attend:
  - F-1 visa holders – the school listed on the I-20 that was stamped by ICE at the port of entry.
  - J-1 visa holders – the university sponsor listed on the DS-2019 that was stamped by ICE at the port of entry.
- Pursue a full course of study every semester until degree program is completed, and make normal progress toward the completion of the course of study.
  - Full course of study for undergraduates is twelve credit hours per semester. Enrollment during the summer session is not required.
  - Full course of study for graduate students is nine credit hours per semester. Enrollment in three credit hours during the summer session is required for all students who have GTA/GRA positions. Other conditions may also apply. Please contact the Graduate Studies Office to confirm your summer semester enrollment requirement.
- Make sure that all information on your I-20 or DS-2019 is accurate and updated at all times. This includes program, level, financial support, assistantship information, etc.
Follow USCIS procedures for changing from one major or degree level to another.

Apply for extensions prior to your degree completion date on your current I-20 or DS-2019.

Limit on-campus employment to 20 hours per week while school is in session.

Do not work or volunteer at an off-campus employment location without authorization. If you have authorization, limit authorized off-campus employment to 20 hours per week while school is in session. (Students approved for full-time Curricular Practical Training (CPT) may work more than 20 hours per week.)

F-1 and J-1 student visa holders – report any change in local address in Joe’SS within ten days of a change. (https://joess.mst.edu/psp/prd/?cmd=login).

F-1 and J-1 student visa holders – report any change in international address in person at the Registrar’s Office in room 103 Parker Hall within ten days of a change.

Some Advice to Help Maintain your Status

Do not drop courses below the required number of credit hours without prior immigration authorization. You can make this request with your International Student Advisor in the Office of International and Cultural Affairs.

Always maintain the required insurance coverage with the Missouri University of Science and Technology provider. F-1 and J-1 students must carry Missouri S & T medical insurance. F-2 and J-2 dependents must be covered by an insurance plan with benefits as required by the U.S. Department of State.
When traveling outside of the U.S., you must have your original I-20 or DS-2019 signed for travel before your leave, and you must carry it with you while you are traveling.

If, for some reason, you violate one of the above requirements, please come immediately to the Office of International and Cultural Affairs to learn about your options, and possibly to complete USCIS reinstatement forms.

This is a very brief synopsis of some basic requirements for F-1 and J-1 visa statuses. Please come to the Office of International and Cultural Affairs for help with individual questions or concerns.

Note: Please allow a minimum of five business days for all requests that are submitted to the Office of International and Cultural Affairs.

Employment Authorization

F-1 visa holders are eligible to work on campus upon their arrival and enrollment at Missouri S & T (i.e. – bookstore, food services, research labs, etc.) Students must contact the Office of International and Cultural Affairs before starting work. Students may apply for off-campus work permits only after they have been in valid status for nine months, and only if they provide proof of sudden and unexpected financial difficulties to USCIS in their application for work authorization. J-1 visa holders must have authorization from the Office of International and Cultural Affairs before starting an on-campus job.

F-2 visa holders are not permitted to work on or off campus. J-2 visa holders can apply for work authorization through USCIS. See your international student advisor in the Office of International and Cultural Affairs for more information on employment authorization.

On-campus Employment

The Missouri S & T Career Opportunities and Employer Relations (COER) Office gathers information and applications from on-campus departments and students concerning employment on campus. For more information regarding job opportunities available on campus, please visit Miner Jobs at https://www.myinterface.com/mst/Account/LogOn?ReturnUrl=%2fmst%2fs tudent. You may also visit the COER Office on the 3rd floor of Norwood Hall, or visit their website at: http://career.mst.edu/.
Off-campus Employment – Economic Hardship: Immigration Regulations

F-1 Status Requirements:

- Students must be in valid F-1 status for one full academic year (nine months), and be in good academic standing.
- On-campus employment must be either unavailable or insufficient.
- Work authorization automatically ceases if the student has violated any of the requirements of the F-1 student visa.

Proof of Economic Hardship to be submitted to USCIS:

The student must demonstrate the personal negative impact of an unforeseen economic hardship. As an example, the evidence could be in one or more of the following forms:

- A letter from the student explaining the circumstances of the hardship.
- Copies of recent exchange transactions showing currency levels.
- News media articles describing the national or international economic crisis.
- A detailed budget showing your expenses and income both before and after the sudden and unforeseen economic hardship.

Off Campus Employment – CPT & OPT

Curricular Practical Training (CPT)

- Definition: An internship, or any other type of required work experience that is offered by employers in a training program that is an integral part of a student’s degree program. Students are required to be full-time enrolled for at least one full academic year before applying for CPT.
Optional Practical Training (OPT)

- Definition: Temporary employment for practical training directly related to the student’s major area of study. OPT is used after completion of the student’s course of study.

**Important Information on Applying for a Social Security Number**

- F-1 students applying for a Social Security number on the basis of on-campus employment must present to the Social Security Administration a letter from the employer, signed by the Designated School Official (International Student Advisor) in the Office of International and Cultural Affairs stating the following:
  - The student is authorized to engage in on-campus employment,
  - The nature of the employment to be engaged in,
  - The identity of the employer for whom the student will be working.

For further information, please refer to the handout titled “International Students and Social Security Numbers” located in your orientation folder.

**Items Required When Applying for a Missouri Driver’s License**

[http://www.dmv.com/mo/missouri/dmv-office/rolla](http://www.dmv.com/mo/missouri/dmv-office/rolla)

- In order to apply for a Missouri driver’s license you will need to take the following items to the local license office located at 1038 South Bishop Ave., Rolla, Missouri.
  - Passport and visa,
  - I-94 print out,
  - Original I-20/DS-2019,
  - Enrollment letter (you can obtain this letter from the Registrar’s Office located in 103 Parker Hall),
  - Missouri S & T student ID card,

Registering for Classes

Open Registration ends on August 19, 2018

103 Parker Hall

http://registrar.mst.edu

- You will be able to register by using the Joe’SS online student registration system https://joess.mst.edu.

Remember to check in with the Office of International and Cultural Affairs, and meet with your academic advisor before you register for classes.

- A fee will be charged by the Registrar’s Office if you register for classes late (after August 19, 2018).

Required Health Insurance Coverage

In the United States, medical care is excellent. However, it is very expensive. There are no government-subsidized health insurance plans in this country. Therefore, everyone must purchase their own health coverage. It only takes one accident or hospital stay to spend all of the money that you have, and it can cause you to go into debt for a long time. Missouri S & T requires that all F-1 and J-1 students purchase a comprehensive and reasonably priced medical plan provided by a company selected by the University of Missouri System.

A few things to remember about the insurance requirement:

- The information that you need regarding the S & T insurance plan is in the international student accident and insurance plan brochure found in your orientation folder.

- Accident and health insurance identification card: you should carry this card with you at all times. It will be mailed to you by the S & T insurance company. It should be given to any hospital, or other medical provider, that you or your family uses.

- If you are a new degree-seeking student at Missouri S & T, the charge for your insurance will appear on your bill from the Missouri S & T Cashier’s Office. If you are enrolled in the Intensive English Program you must purchase the insurance upon your arrival at Missouri S & T. You may complete the purchase when you check in with the Office of International and Cultural Affairs.
Our Insurance Advisor is located at 104 Norwood Hall and administers the S & T insurance program.

- A J-1 visa holder’s willful failure to maintain the required insurance coverage, either for himself or for any dependent living in this country is regarded by the Department of State as a violation of immigration status.

**General Information About Privately-Owned Housing**

A lease is usually required to rent an apartment or a house. A lease is a legally binding contract. If you sign a lease, then you are making a legally enforceable agreement to pay rent for the entire period indicated on the lease. If you sign a one-year contract, then you must pay for the entire year, regardless of whether you occupy the residence.

Read your lease carefully before signing. If necessary, ask the landlord if you can take it home to read. The lease will tell you everything that you need to know about what you will be expected to do and pay for, and what your landlord is expected to do and pay for.

If there is something in the lease that you do not agree with, you should speak to the landlord about it before signing the lease.

Helpful information:

- The lease authorizes only you to use the apartment. You must obtain consent from the landlord to add additional occupants.

- Be sure to report anything that needs maintenance or is broken to the landlord, as soon as possible.

- Smoke alarms should be tested regularly.

- Be sure to empty trash and newspaper often, as they can become a fire hazard.

- In case of an emergency, leave the building first, and then call 911 (this is the emergency telephone number). You should then call your landlord.
**Nondiscrimination Statement Title IX**

Missouri University of Science and Technology is committed to the safety and well-being of all members of its community. US Federal Law Title IX states that no member of the university community shall, on the basis of sex, be excluded from participation in, or be denied benefits of, or be subjected to discrimination under any education program or activity.

Furthermore, in accordance with Title IX guidelines from the US Office of Civil Rights, Missouri S&T requires that all faculty and staff members report, to the Missouri S&T Title IX Coordinator, any notice of sexual harassment, abuse, and/or violence (including personal relational abuse, relational/domestic violence, and stalking) disclosed through communication including but not limited to direct conversation, email, social media, classroom papers and homework exercises.

Missouri S&T’s Title IX Coordinator is Interim Chief Diversity Officer Neil Outar. Contact him directly (naoutar@mst.edu; (573) 341-6038; The Diversity House; 605 W. 11th St.) to report Title IX violations. To learn more about Title IX resources and reporting options (confidential and non-confidential) available to Missouri S&T students, staff, and faculty, please visit [http://titleix.mst.edu](http://titleix.mst.edu).
