Office of International Affairs

Application for Missouri S&T Study Abroad Scholarship

As a firm commitment to enhance the international competence of Missouri S&T students, the Office of International Affairs holds two annual study abroad competitions. The scholarships are cash awards which are usually applied to the student’s tuition and fees for the study abroad semester.

Your department may also have scholarship opportunities for students participating in study abroad programs. Please inquire with your academic advisor.

Any Missouri S&T student interested in study abroad in conjunction with a Missouri S&T–affiliated program is eligible to apply for the scholarship. To apply please submit this form and your answers to questions 1-3 on a separate sheet of paper. Also, please submit a copy of your Missouri S&T transcript, and your study abroad application:

1. Describe your financial need for a study abroad scholarship.
2. Describe your academic achievements and other merits which would qualify you for a study abroad scholarship.
3. Describe how you would use this scholarship.

Please describe the study abroad experience you are applying for:
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

Selection will be based on your financial need, quality of the application essay and your GPA.

Student Name: ___________________________ Student Number: ___________________________ Cumulative GPA: ____________

Current financial aid you are receiving:
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

Please list any academic honors you have received, as well as any campus and/or community activates in which you are or have been involved:
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________
______________________________________________________________________________________________

If you are awarded a scholarship you are also agreeing to participate in future Missouri S&T study abroad presentations to faculty or students describing your study abroad experience. Upon returning to the campus from abroad, Please complete the Missouri
S&T Study Abroad Program Evaluation form and submit a letter of thanks to the scholarship sponsor. For additional information and questions, please contact:
