- Technical Communication

This scholarship cannot be used in conjunction with other S&T scholarships or S&T assistantships. It is not available to U.S. residents or S&T students currently enrolled. Students receiving the international scholarship must maintain good standing in their graduate program of study. Scholarships will be dispersed $2,500 per semester for a maximum of four semesters.

Apply today for $10,000 in scholarships

If you want to study in the U.S. and gain new knowledge in your field — without the emphasis on original research — Missouri S&T offers non-thesis master’s degree programs in every field. Now, we also offer a new scholarship opportunity for students like you. For the fall 2019 semester, all non-thesis international students* are eligible for $10,000 in scholarships.

Visit grad.mst.edu/non-thesis for more information.

* on-campus students only: excludes MBA program
