

Acceptable Financial Documents for I-20 Issuance

You must provide financial resources that demonstrate you have available funding to cover 12 months of expenses based on the cost estimates outlined [here](#). Remember that all fees may change without notice and that specific costs for each student will vary.

- Details about the estimated cost of attendance are available [here](#).
- Additional details about the process of issuing an I-20/DS-2019 are available [here](#).

Financial Documentation

Documents meeting the requirements in the categories below will be approved at the discretion of the designated school official. All financial support documents must be:

- Dated within 18 months prior to the program start date or extended/intended date of enrollment.
- In English or with an official translation into English attached.
